If Constipated, Bilious
or Headachy, take
"Cascarets"

Sick headaches, biliousness, coated tongue, or sour, gassy stomach—always trace this to torpid liver; delayed, fermenting food in the bowels.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing and sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep.

LIKE NEW MAN AFTER MAKING 28-POUND GAIN

Remarkable And Convincing Story
of Trutona's Restorative Pow-
ers Told By Mr. Lee.

LOUISVILLE, KY., April 23, 1920.—"I'll swear by Trutona and I never expect to be without it again." And why shouldn't I? After I had spent hundreds of dollars for other medicines, one bottle of Trutona did me as much good as all the rest put together. It placed my system in perfect condition and I've gained twenty-eight pounds in the bargain." In his own words, the foregoing is what Trutona, the Perfect Tonic has done for Harry Lee, an employee of the Seelbach hotel, who lives at 1661 Gallagher Street, Louisville.

"Stomach trouble together with the after-effects of an attack of pneumonia caused a general breakdown in my health," he continued. "I became constipated and suffered headaches. My appetite was very poor, it seemed I never wanted anything but a cup of coffee. I didn't sleep well at night."

"Well sir, I weighed only 130 pounds when I began using Trutona but to-day I tip the scales at 159—a gain of 28 pounds. And I feel just like a new man, too. My constipation has been relieved. I haven't had a headache for weeks and my former nervousness is a thing of the past. I'm full of life now, enjoying my work and I know I'm in perfect physical condition. My father-in-law and my thirteen-year-old son also took Trutona and it helped them greatly. My boy's strong and healthy and gaining weight now."

Trutona is sold in Paris at Varden & Son's drug store. (adv)

Thousands of Women

Owe Their Health To

Lydia E. Pinkham's Vegetable Compound—overshadowing indeed is the success of this great medicine. Compared with it, all other medicines for women's ills seem to be experiments.

Why is it so successful? Simply because of its sterling worth. For over forty years it has had no equal. Women for two generations have depended upon it with confidence.

Thousands of Their Letters are on our files, which prove these statements to be facts, not mere boasting.

Here Are Two Sample Letters:

Mother and Daughter Helped.

Middleburg, Pa.—"I am glad to state that Lydia E. Pinkham's Vegetable Compound did me much good when I was 35 years old. I was run down with female trouble and was not able to do anything, could not walk for a year and could not work. I had treatment from a physician but did not gain. I read in the papers and books about Lydia E. Pinkham's Vegetable Compound and decided to try it. The first few bottles gave me relief and I kept on using it until I got better and was able to do my work. The Vegetable Compound also regulated my daughter when she was 15 years old. I can recommend it to every woman who has any trouble. I have ever sold."—Mrs. W. YERGER, R. 2, Box 21, Middleburg, Pa.
